

Curriculum Vitae

Sherif Hassan Ali Abdelaal

M.B. B.Ch. M.Sc., M.D. NS.

Personal information :

Name: Sherif Hassan Ali Abdelaal

Date of birth: April 2nd 1982

Place of birth: Cairo

Nationality: Egyptian

Marital Status: Married, two children

Languages: (Spoken & Written)

Arabic: Native

English: Excellent

French: Fair

Address (Home): Safer building, No. 2 Menofeya Street, Ismailia

(Work): Neurosurgery Department, Suez Canal University,
Ismailia

E Mail (Personal): smallbeeboo@gmail.com

(Official): sherif.elkhatib@med.suez.edu.eg

Official web site: <http://sherif.elkhatib.staff.scuegypt.edu.eg/>

Cell Phone: +2 01061674440

Educational information:

High school: 24th October Ismailia Language School, graduated in 1998,
excellent degree

Collage: Suez Canal University, Faculty of medicine (1998-2005),
Graduation Grade (Very Good with Honor)

Training :

March 2006 – February 2007: House Officer at Suez Canal University
hospital.

July 2007 - September 2010: Resident of Neurosurgery, Suez Canal
University hospital including one year of **Military service** attended
at both (Spine Surgery Unit, Helmeyet ELzatoon Military Hospital)
and (Neurosurgery Department, Kobry Alkoba Military Hospital)

January 2011 – December 2016: Assistant Lecturer of Neurosurgery
Faculty of medicine, Suez Canal University.

January 2017 – May 2022: Lecturer of Neurosurgery, Faculty of
medicine, Suez Canal University.

May 2022 – till now: Assistant Professor of Neurosurgery, Faculty of
medicine, Suez Canal University.

May 2011 – 2017: Neurosurgery Specialist at Health Insurance Hospital,
Ministry of Health, Suez.

January 2015 – July 2015: 7-month fellowship in Neuro-endovascular
department - Juntendo university hospital, Tokyo-japan.

October 2017 – March 2018: 6 month neurosurgery consultant in
Alwajh general hospital, Kingdom Saudi Arabia through visiting
professors protocol.

May 2018 – 2021: Neurosurgery consultant at Ismailia general hospital,
Ismailia

January 2021 – until now: Neurosurgery consultant at Ismailia Medical
complex, Ismailia

August 2019 – until now: Neurosurgery consultant & head of
Neurosurgery department at Abo-khalifa specialised hospital,
Ismailia

Qualifications:

Bachelor of Medicine and General surgery (M.B. B.Ch.): Faculty of
Medicine, Suez Canal University. January 2006 (Signed up Very
Good with honor)

Master of Science in General Surgery (M.Sc.): October 2010 (Signed
up Very Good).

TOEFL ITP ®: 2011, with score 563

ICDL: 2011

TOEFL IBT ®: 2014, with score 81

Fellowship in Neuro-endovascular surgery: 2015 Juntendo university
hospital, Tokyo-japan

Medical Doctorate in Neurosurgery (M.D.N.S.): Faculty of Medicine,
Suez Canal University. December 2016

AoSpine member since 16th of January 2019

Egyptian society of neurological surgeons (ESNS) member since
January 2018

Egyptian spine association (ESA): member since January 2019

Courses Attended:

July - August 2004:

One month training in Prague first faculty (Czech Republic) in orthopedic department, spine unit.

2009:

First congress of African Federation of Neurosurgical Societies (AFNS) in collaboration with **Egyptian society of Neurological surgeons (ESNS) & Neurospine Group (NSG)**. Sharm Elsheikh, Egypt

34th Annual Meeting of Egyptian society of Neurological Surgeons (ESNS) in collaboration with **American Association of Neurological surgeons (AANS)**. Hurgada, Egypt

The first Egyptian Cadaveric hands-on Workshop on spine, orthopedic surgery department, faculty of medicine, Ain Shams University. Cairo, Egypt

Eleventh International Spine Conference, Orthopedic surgery department, faculty of medicine, Ain Shams University. Cairo, Egypt

2011:

The 16th Annual meeting of the Neurosurgical department, Suez Canal University. Ain Alsukhna. Egypt

2012:

The 17th Annual meeting of the Neurosurgical department of Suez Canal University. Ain Alsukhna. Egypt

The Second Annual Meeting of the Egyptian Spine Association (ESA), Luxor, Egypt

2013:

Alexandria Cadaveric Dissection Course (WFNS Skull Base Dissection Course). Alexandria, Egypt

2014:

The 8th Annual conference of Neurosurgery, Department of Neurosurgery, Al-Azhar University in collaboration with **The Egyptian society of Neurological surgeons (ESNS)**. Cairo, Egypt

The 1st Neurovascular Surgery and Neuroendovascular intervention course. Neurosurgery Department, Ain Shams University. Cairo, Egypt

The 1st Egyptian Educational course in Pediatric Neurosurgery, Military Medical Academy in Collaboration with European Society of Pediatric Neurosurgery (ESPN). Cairo, Egypt

The 1st Egyptian International Conference (Recent Trends In Neurosurgery). El Galaa Family Hospital, Military Medical Academy and Egyptian Society of Neurosurgical Surgeons (ESNS) In Collaboration with World Federation of Neurosurgical Societies (WFNS) and European Society of Pediatric Neurosurgery (ESPN). Cairo, Egypt

The 18th Annual meeting of the Neurosurgical department of Suez Canal University in Collaboration with AOSpine Neurosurgery. Ain Alsukhna. Egypt

2015:

The 7th (Nigata Neuro-Endovascular Therapy) NNET seminar Naeba, Japan.

The 35th Annual Meeting of the Japanese Congress of Neurological surgeons. Yokohama, Japan

The 20th Annual meeting of the Neurosurgical department of Suez Canal University. Ain Alsukhna. Egypt

2016:

The 8th Annual conference of Neuropsychiatry department of Alexandria University. Alexandria, Egypt

The 1st Middle East North Africa Stroke and Interventional Neurology organization congress (MINA-SINO). (Equivalent to 16 CME Credit hours). Alexandria, Egypt

The 2nd Annual International Congress of Neurosurgery department, Ain shams University (Equivalent to 8 CME Credit hours). Cairo, Egypt.

The Annual summer Neurosurgical conference in collaboration with: ESNS, AOSpine and ESA. Alexandria, Egypt

2017

The 2nd Middle East North Africa Stroke and Interventional Neurology organization congress (MINA-SINO) in collaboration with Cairo Neuro Specialists (CNS). Cairo, Egypt

The 22th Annual meeting of the Neurosurgical department of Suez Canal University in collaboration with Egyptian spine Association

(ESA). Advanced course on cervical spine surgical procedures. Ain elsokhna, Egypt.

2018

The 23th Annual meeting of the Neurosurgical department of Suez Canal University in collaboration with ESNS, AOSpine, ESA and Egy spine. J. Ismailia, Egypt

2019

The 7th Aging spine & injectable therapeutics AOspine conference. 6th October, Giza - Egypt

Advanced acute ischemic stroke management seminar organized by International medical center. Ismailia, Egypt

Taylor Francis group workshop on ‘How to get published’. Cairo, Egypt

AOspine advanced course - Craniocervical and subaxial cervical spine: A to Z Management strategy (equivalent to 20 European CME credits). Cairo, Egypt

The 24th Annual meeting of the Neurosurgical department of Suez Canal University in collaboration with AOspine and ESA – Cervical procedure saw bone advanced course

The 2nd Advanced spine surgery updates in collaboration with AOspine and ESA (AACME accredited)

The 9th Annual meeting of the Egyptian Spine Association in collaboration with AOspine, North American spine society, Saudi spine society and Nigerian spine society

2020

The 8th Aging spine & injectable therapeutics AOspine conference. 6th October, Giza – Egypt

2022

6th International Hyprid scoliosis week. As-Salam international hospital
1st International Menofeya Neurosurgical congress. Cairo

2023

1st national conference of neurosurgery department- PortSaid university. PortSaid Egypt

The 13 annual international meeting of the Egyptian Spine Association, Alexandria Egypt (speaker)

2024

44th Egyptian congress of neurosurgery (amplify neurosurgery from basics to innovation) (speaker). Cairo

8th international scoliosis week in collaboration with 15th international musculoskeletal society meeting (I.M.S.). Cairo

14th Annual conference of the Egyptian spine society in collaboration with 17th Asia pacific cervical spine Association (speaker). Cairo

2025

1st health care Authority Neurosurgery conference. Cairo

28th annual conference of Suez Canal Neurosurgery conference (functional neurosurgery conference)

9th international scoliosis week in collaboration with 15th international musculoskeletal society meeting (I.M.S.), Scoliosis research society SRS. Cairo

Thesis Submitted

Master Thesis (Evaluation of lumbar inter-spinous spacer Coflex® in treatment of degenerative lumbar canal stenosis)

MD. Thesis (Evaluation of Endovascular Carotid Balloon Angioplasty and Stenting in Treatment of Symptomatic Internal Carotid Artery Stenosis)

Research publications

Evaluation of lumbar inter-spinous spacer Coflex® in treatment of degenerative lumbar canal stenosis), Medical Journal of Cairo University. 2010

Recurrent Atlanto-axial Rotatory Fixation after failed posterior fusion: A case Report & Review of the Literature. Egyptian Spine Journal, 2012 (http://www.esa.org.eg/journal_details.asp?Issue=2012&Volume=2)

Evaluation of Carotid Angioplasty and Stenting using double protection technique in Treatment of Severe symptomatic Internal Carotid Artery Stenosis. Medical Journal of Cairo University, 2016

Role of Staged Carotid Angioplasty and Stenting in Prevention of Hyper-Perfusion Syndrome in patients with near Total Occlusion of

Internal Carotid Artery Stenosis. Medical Journal of Cairo University, 2016

Assessment of the Fusion Rate in Patients with Degenerative Lumbar Instability Who Underwent Stabilization by Transforaminal Lumbar Inter-body Fusion and Transpedicular Screws. Medical Journal of Cairo University, 2019
